Re: \_\_\_\_\_  
In Removal Proceedings  
A23-224-092

**REQUEST FOR RELEASE FROM DETENTION  
PURSUANT TO ZADVYDAS V. DAVIS**

fidel Bordato limonta

I, \_\_\_\_\_, *pro se*, hereby request to be released from detention pursuant to *Zadvydas v. Davis*, 121 S.Ct 2491. On July 19, 2001, Attorney General John Ashcroft issued a memorandum which stated, "After six months, if an alien can provide 'good reason to believe that there is no significant likelihood of removal in the reasonably foreseeable future,' the government must rebut the alien's showing in order to continue the alien in detention." I am writing to request release as there is no significant likelihood that I will be removed in the reasonable foreseeable future.

1. I am presently in INS custody. I have been detained by the INS since NOV. 6, 2003
2. I have a final order of deportation. My deportation order became final on sept 5, 2003. Therefore, I have been detained for more than 6 months with a final order.
3. My country will not take me back. The country I have been ordered deported to is Cuba.

4. The following efforts have been made to return me to my country of origin: \_\_\_\_\_

I have complied with any and all efforts  
to be deported but cuba doesn't issue  
travel documents.

5. Because my country will not take me back and I have already been in detention for six  
months past the date my removal order became final, I should be released immediately.

Respectfully submitted,
